Dear Miss Pitt,

Please accept the sincere appreciation of the Board of Directors of the Welland Area YMCA-YWCA for your generous support of our Capital Fund Campaign.

The campaign is receiving an enthusiastic reception from the citizens of our area. Your interest and support has helped greatly to encourage our workers and in enabling us to realize our objective.

Sincerely,

Dr. Jacques Dubois,

Dear Miss Pitt,

The Board of Directors met last evening and were pleased to receive your application for the position of Executive Director. They were quite impressed with your qualifications and hope you will be able to accept our offer as discussed at the Personnel meeting, as follows -

Salary - starting at \$6,200.00 p.a. then in
January 1969 \$6,500.00 p.a.

The Committee discussed the possibility of creating another office from one of the existing areas but they felt it would be more satisfactory for you to see what they have in mind before they do any renovating. This will provide a separate office for you.

The date for starting, if you accept our offer, could be settled between Miss Hudson and yourself.

Awaiting your decision and sincerely hoping it will be favourable.

Yours very truly,

Maralyn Burns

Mrs J. P. Merryweather,
President Y.W.C.A.
Niagara Falls, Ont.

Dear Mrs Merryweather;

It is with sincere regret that I submit my resignation as Executive Director of your Association, to be accepted by the Board of Directors, and become effective December 31st of this year, thus providing a six month interval for replacement planning.

This decision is made following completion of over 45 years of continuous responsibility in work which I have thoroughly enjoyed. I now feel the time has arrived when younger years should fill this administrative post.

I respect and commend your Y.W.C.A. for the splendid work accomplished by your Board of Directors and Staff which has built such a fine reputation in the community over the past 56 years. It must be a great satisfaction to have watched the development of young people to the point of now being able to accept responsibility for Association participation in policy making for the future.

I would like to express my appreciation to you as President, Mrs Burns Past President, members of the Board of Directors, the entire Staff, Committees and Volunteers for their co-operation, and consideration extended to me during my term of office. It has been a privilege to work with the community agencies, the Greater Niagara United Appeal and the City of Niagara Falls.

Kindness and friends have come my way in abundance, and it will be a joy to live in your city which I have grown to admire so much.

My best wishes will remain always for the continued success and progress of your Association, and the Y.W.C.A. of Canada.

Yours very sincerely,

Miss Elizabeth Pitt

Dear Dr. Dubois;

The fact that I now present my resignation to the Board of Directors as Executive Director of your Association, will I trust, provide you with the opportunity of securing a most able executive and leading authority in all phases of swimming.

At the same time, I have been approached by the Niagara Falls YMCA, and plan to accept the position offered to me as Executive Director of their Association, to take place October first. This will give ample time for replacement, and orientation of a new staff member in Welland.

Both National Councils know of these circumstances. The YMCA would like to submit further applications for your consideration which is understandable. I trust however, that when the Board announces my resignation, a new replacement could also be named, so that the continuity of the Association remains assured.

It has been a privilege to work with you Dr Dubois, and the members of the Board of Directors and Staff. I have sincerely appreciated the guidance, help and consideration shown to me during my term of office for over four years.

The Campaign Committee, and the Building Committee, with their Chairmen and workers combined with the Board, will long be remembered in the city for their outstanding efforts in making our New Building become a reality.

While I regret leaving the Welland YMCA-YWCA, I feel that now is the time to consider your future, while we both have opportunities on the horizon.

My best of good wishes will always follow your progress.

Yours most sincerely,

Elizabeth Pitt

Mrs R.L. Burns,
President, Y.W.C.A.
Niagara Falls, Ont.

Dear Mrs Burns;

This is to confirm my telephone conversation with you, made following the Board of Directors Meeting of the Welland Area YMCA-YWCA this month, at which my resignation as their Executive Director was formally accepted.

The agreement stated in your letter of July 19th, will be acceptable to me, and I appreciated the invitation and support of your Board of Directors. While it is with regret I leave our excellent Board and Staff here, I feel that they have an opportunity of a great step forward, with a person who could follow the building plans, and also build for the future.

I shall look forward to meeting your Board of Directors and members of the Staff, all of whom were spoken of so highly by Miss Hudson.

In the meantime, when time permits, I would be happy to meet Miss Hudson, or anyone you may suggest for any further contact you may feel is necessary.

Yours very sincerely,

Elizabeth Pitt

Dear Bess:

The Board of Directors of the Welland Area Y.M.C.A.-Y.W.C.A. acknowledge your letter of resignation effective September 30, 1968. With much regret we accept this letter terminating your association with our "Y".

We wish to express our appreciation for the many years you have directed the Welland Area Y.M.C.A. - Y.W.C.A. Your dedication to the youth of Welland and the building of the "Y" image and its' purpose in Welland cannot be measured by words. Our expansion from an almost unknown body to our present stage of anticipation regarding our new building bespeaks of the valuable service you have given our organization.

Your belief in the value of the "Y" principals was evident in the many "Y" activities you directed and taught and has been an inspiration to the Board Members to look wider with greater goals in mind.

We want to express our thanks and gratitude for the many hours you have spent over and above your required working time. Also, we express our humblest gratefulness for your generosity in a monetary way, to mention only one item we cannot overlook, the "Y" sign which enhances the face of the "Y" building.

It is with regret that we accept your resignation, but we wish you every success and happiness in your new job venture.

Yours sincerely,

Jacques Dubois
